August 2016

Dear Parents and Students,

It's that time of year again when students are waiting by their mailboxes for their "teacher letters" and we as parents can't decide if we want summer to last forever or actually end so our homes are back on schedules. Whichever camp you are in, it's hard to deny that the first day of school is approaching quickly! My two daughters are beginning their sophomore and grade seven years- it's gone by in a blink! My own summer has been filled with family fun, professional workshops, and preparing the Primary School for the arrival of our students. Our teachers and staff at Millstone Township Primary School have taken some time to enjoy their families as well but have also been preparing for our newest group of students in a few weeks. We are looking forward to a fantastic school year, full of new friendship and fun adventures!

During the 2016-2017 school year, the Primary School will continue to provide quality instruction in each classroom. As the year progresses, you will hear much about Reading and Writing Workshop, challenging STEAM (science, technology, engineering, arts, and mathematics) instruction, Responsive Classroom, and our new character education monthly themes.

We look forward to sharing information with you throughout the first weeks of school and at our Back to School Night on Thursday, September 22nd. In addition, our parent-student handbook which provides important information about our school's philosophy, procedures, and policies is available on line. School will open for students on Tuesday, September 6, 2016. Please utilize our district's website at www.millstone.k12.nj.us to familiarize yourself with the school hours and other important information. **You can also follow us on Twitter at @MillstonePS or Instagram at millstoneprimarieschool.**

The Primary School community and I look forward to another great year. See you soon!

Sincerely,

Trish Bogusz
Principal
