June 7, 2021

Dear Millstone families and friends,

Well, the clock has almost struck midnight on the 2020-2021 school year! While the year was challenging for all, there is much to be proud of and learn from moving forward. I am extremely grateful for **everyone's** participation in the learning process this year and the supportive environment you created at home. Our students had success because we worked together and demonstrated empathy and care. We modeled for our young ones how to overcome adversity and show resiliency, always with a smile and positivity outlook. However, it is now time to power down and relax...we all need it! Before we say our final "see you in September" farewells, there is a bit of housekeeping still to take care of. Please read carefully our end-of-year procedures:

- **Technology drop-off-** All district-loaned laptops and chargers will be collected on Monday, June 21 and Tuesday, June 22. Please label Chromebooks and chargers with your child's name and HR teacher. Devices can be dropped off in the Gymnasium Entrance vestibule from 7am-4pm on 6/21 and 6/22.
- **Foundations kits, library books, and other district learning materials-** Same as above. Please label all materials and drop off between 6/21-6/22 in the Gymnasium Entrance vestibule.
- **Class Parties** – your child's teacher and class parent will coordinate the day and time for a small end-of-year celebration. The students most certainly deserve a party, but we are going to keep it on a smaller scale this year with just the kids and their teachers. Please look out for communication from either your teacher or class parent with details.
- **2nd grade Ice Cream Party-** The PTO has generously offered to donate ice cream to our 2nd grade students as part of their send-off celebration to the 3rd grade! Again, this will be with just our staff and students but we will be sure to take plenty of pictures!
- **Summer Reading Program "Join the Hive-Bee a Reader!"** Mrs. Henkin and our literacy team will be sending home information about a fun way to keep reading a part of our daily routine in the summer. Please be on the lookout for information about this optional summer activity.

Have a wonderful summer, everyone!

Stay well,

A handwritten signature in black ink that reads 'Paul Baker'.

Dr. Paul Baker
Principal
